

2026 EVENT SPONSORSHIP OPPORTUNITIES

SHOWCASE YOUR BUSINESS

SPONSORSHIP

Sponsoring the popular events of the Lander Chamber of Commerce connects your business to large, community-wide audiences, creates broad goodwill, and develops new relationships and the opportunity to showcase your brand.

Fremont County Restaurant Week aims to fill our dining establishments with locals looking to take advantage of off-season deals on the diverse flavors of Wind River Country.

Our quarterly luncheon series brings together our members and the broader community for business-to-business

networking and relationship development. Our popular *Legislative Session Preview Luncheon* and *Community Awards Luncheon* are among the top annual business events in Fremont County, and our new Spring and Fall luncheons focus on public policy issues relevant to the Lander business community.

Lander Brewfest -- "The Best Little Brewfest in the West" and Lander's unofficial kickoff to summer -- brings more than 30 independent brewers and distillers to Lander, attracting 2,000+ people to sample the finest libations

made in the Rocky Mountain West.

Our weekly *Coffee with the Chamber* and monthly *Business After Hours* and *Lunch & Learn* events provide more frequent opportunities to connect, learn, and promote your business.

We invite you to be a part of one or all of these great events. Sponsors receive valuable benefits and are promoted through multiple media channels across all of Fremont County and beyond.
